LATE TESTIMONY

Comments:

Aloha,

On behalf of my ohana and myself, I would like to take this opportunity State House of Representative's Chairman Marcus OSHIRO & Vice Chairwomen Marilyn LEE for your support and passage of House Bill 491. I'm a Sergeant/Deputy Sheriff III with the H.I.A., 3rd Watch Patrol Section, currently working a special (off duty) post to supplement my lost furlough days off to support my family. This coming 04-16 marks my 30 Years as a Deputy Sheriff. I've been widowed since 2003, a single father of (3), grandfather of (3) and I previously testified in 1986 before Sen. Mike CROZIER when the Dept. of Public Safety was being created. All testimony was taken by notable reps. within other State Law Enforcement Branches for support of the Housekeeping measure such as the AG's-M. LILLY, DLNR-Statewide-M. MATSUZAKI, NED-S. ZALOUPEY-Dept. of Health, State Harbor PD-(DOT), Marine Patrol-(DOT/Fed Coast Guard grants), Sheriff's-Statewide Judiciary, SLEO-State Capitol Security-Legislative House Sgt. at Arms, Executive Protection Unit-Executive Branch, State DOD - Ft. Ruger & Diamond Head Police. Dept. models for review were CA,AZ,NM & TX. Act 211 in 7/89 transferred Corrections of DSSH, having the largest component of personnel and support infrastructure to the newly created PSD. In 7/90, all remaining State LE units were absorbed by the new PSD (Corrections), (excluding the AG's Office & DLNR - both were not consolidated in the Housekeeping Measure bu allowed to remain autonomous & seperate). It is with great satisfaction and anticipation that our SD Training & Accreditation Standards will be reviwed & given priority in accordance with minnimal P.O.S.T. (Police Officer Standardized Training guidelines) National & State Legislative mandates by CALEA. In 1991, I testified again to save our title and name "Sheriff, Deputy Sheriff," from being extinguised and all powers, references & integrity being absorbed by the PSD Corrections Director, we were to be named "Special Services Deputies." Now in 2011, adressng a State LE Bargaining Unit 14, a "Dept. of the Sheriff for the consolidation of State LE services & functions," Airport-DOT, Harbors-DOT & Waterway Transportation & Highway Patrol-DOT enfocement may become a reality in the near future with the right training, admin guidance, managerial mission, foresight, planning, dedication and commitment. I am duly greatful for your time and efforts in reviewing this measure and humbly ask for your passage and support of HB491, mahalo comitees
